RocaJunyent has advised Lightyear regarding the analysis of the legal regime applicable to its operations in Spain under the freedom to provide services regime.

Lightyear is a company founded in 2020 that provides financial services in order to invest globally.

The team from RocaJunyent advising Lightyear was led by the partner of data protection and privacy, **Beatriz Rodríguez Gómez** (pictured left), the partner of tax law, **Blanca Usón Vegas** (pictured centre) and the partner of banking and finance law, **Xavier Foz Giralt** (pictured right).
