RocaJunyent has advised the business group specialised in transport services Padrosa and the fund specialised in the transport and infrastructure sectors TIIC on the launch of a pan-european network of truck parking facilities.

The aim of the initiative is to respond to the growing demand for safe parking while providing state-of-the-art services to ensure proper working conditions and address the social welfare of truck drivers.

RocaJunyent advising team was led by the chief executive and partner, **Joan Roca** (pictured left), the partner, **Santi Pagès** (pictured right), senior associates, **Joana Banda** and **Lourdes Amigó de Bonet** and collaborator, **Sergio Giménez**.
