RZS Abogados has recruited María Luisa Albelda from Asjusa as a partner in the Insurance area

This new step confirms RZS Abogados' strategy of attracting the best talent and incorporating professionals with extensive experience and recognised in the sector in order to offer the best response to a specialised client.

María Luisa Albelda (pictured right) comes from Asjusa, a law firm specialised in Insurance Law, especially in health liability, public administration liability and liability arising from accidents at work, as well as life and pensions. During her professional career, she has led teams of lawyers, helping to position the firm as one of the most prominent in medical liability proceedings and in advising entities and companies in the sector.

According to Marta Serra (pictured left), managing partner of RZS Abogados Madrid office: "The incorporation of María Luisa as a partner, together with the merger announced a few days ago, represents an important reinforcement for RZS Abogados in the areas of specialisation within Insurance Law and reaffirms our position at a national level as a leading firm in the sector, mainly in the areas of medical liability, life and pensions, public administrations and liability arising from accidents at work."
