Sérvulo has advised Fundo AF Portfólio Imobiliário, the real estate investment fund by Interfundos – Sociedade Gestora SA Organismo de Investimento Coletivo, a Finnish capital company, on the sale of 130 autonomous units/independent fractions in the Via Gaia office building, in Vila Nova de Gaia (Portugal), to the Fortera group.

The team that advised on this real estate operation was led by **Carla Leandro**, main associate of the real estate, tourism and urban planning department, which is led by **Manuel Magalhães**, managing partner of Sérvulo & Associados. The team also included **Inês Borges Gonçalves**, associate and **Luís Monteiro Romão**, paralegal.
