Sunny Resorts has hired **Marta Velasco** (pictured) as head of legal and compliance in the Iberian Peninsula.

Sunny Resorts is a company owned by Ilanga Capital, an investment fund with a vertical focused on alternative hotel assets, whose OHAI brand is aimed at the management of horizontal complexes located in natural enclaves.

With more than 15 years of experience, **Marta Velasco** specialises in urban planning and is responsible at Sunny Resorts for the legal monitoring of the company's various assets and provides support in the framework of acquisitions and disposals within the group's divisions in Spain and Portugal. She previously developed her professional career at Pérez-Llorca.
