EY Abogados has advised the spanish firms Solarbay Renewable Energy and Pitma Generación on the sale of three companies to a luxembourg fund manager specialised in renewable energies, advised by Cases & Lacambra.

These three companies purchased by the spanish firms will be responsible for developing thirteen photovoltaic plants in the Autonomous Communities of Andalusia (Granada) and Murcia with a total of 52.43 MWp of capacity.

The EY Abogados Legal team involved in this transaction was formed by **Susana Gómez Badiola** (pictured right), corporate M&A and private equity partner, together with her team members **Carmen Esteban García Bernalt**, **Beatriz Ruiz Herrero**, **Gadea Pérez de Guzmán Cubas** and **Carlota Sepó Mendoza**. The buyer has been advised by Cases Lacambra, **Pablo Echenique** (pictured left), corporate M&A partner, **Lucía Fernández** and **Belén Castillo**, members of his team.
