Toda & Nel-lo has increased its turnover by 25% to €10.18 million

Toda & Nel-lo has increased its turnover during 2021 by 25%, because of the good performance of all offices, Madrid and Barcelona.

Due to the development of its headquarters in the capital, the firm has almost doubled its turnover,

with the tax and regulatory departments standing out. They have also expanded into the international market, joining the Legal Network International.
