Uría Menéndez has advised Asterion Industrial Infra Funds I, FCR in the sale of Asterion Energies, to Repsol for €580 million.

Asterion Energies is a renewable energy platform focused on Europe's energy transition and is a vehicle of the Asterion Industrial fund which is active across the Fund's core european geographies in collaboration with local partners.

The team from Uría Menéndez advising on this deal was formed by **Manuel Echenique Sanjurjo** (partner, M&A-Private Equity, Madrid); **Guillermo del Río Ciriza** (principal associate, M&A-Private Equity, Madrid); **Susana Serrano de Frutos** (senior associate, M&A-Private Equity, Madrid) and **Alfonso Reimunde Macías** (junior associate, M&A-Private Equity, Madrid); **David López Pombo** (partner, Tax, Madrid); **Adrià Riba Lozano** (senior associate, Tax, Madrid) and **Casilda Campuzano García-Espejo** (junior associate, M&A-Private Equity, Madrid).
