Uría Menéndez has advised Tristan Capital Partners, LLP and Kefren Capital Real Estate on a

logistics complex acquisition in Constantí

Uría Menéndez has advised Tristan Capital Partners, LLP and Kefren Capital Real Estate on acquiring a logistics complex in Constantí (Tarragona) through a forward purchase agreement. The value of this deal was undisclosed.

This is a logistics platform of around 40,000 m² in the Constantí Industrial Estate. The asset, which is available in its entirety for rent, is expected to be delivered in the third quarter of this year.

The Uría Menéndez team was led by (pictured left) Diego Armero Montes, (partner, Real Estate and Planning, Madrid), (pictured right) Belén Simbor Ortega (senior associate, Real Estate and Planning, Valencia), Yulia Kalyuzhyna (junior associate, Real Estate and Planning, Madrid), Miguel Reina Hernando (junior associate, Real Estate and Planning, Madrid).
