Uría Menéndez advised Investindustrial on the acquisition of Madrid-based fertility clinic Ginefiv.

Founded in 1987 by doctors José Bajo Arenas and Alberto Martínez de Arenaza, Ginefiv is one of the most long established fertility clinics in Spain. It employs a team of 100 people in Madrid and performs more than 4,500 treatments annually, including donor and non-donor IVF, as well as providing services such as fertility preservation.

Investindustrial is a leading European group of independently managed investment, holding and advisory companies with €6.8 billion of raised fund capital.

Investindustrial has a team of more than 100 professionals based in offices in Switzerland, Spain, the UK, US, Luxembourg, and China.
