Armando (pictured right) has extensive experience in Real Estate Taxation, Corporate Restructuring transactions, Tax planning, Sports Taxation and International Taxation. He has developed his professional career in relevant firms such as PwC, Cremades & Calvo Sotelo and Laffer Abogados.

On a personal level, Iniesto points out that Armando's arrival "means a return to his team, of which he has always been and now continues to be an important part."

With the incorporation of Armando Orejas, Vaciero is shoring up its growth strategy after recently incorporating [Raquel Ballester](#) as the new head of Corporate and Audit in the Madrid office.
