The award will consist of an economic prize of €2,000 and the publication of the work in the Villanueva Legal Yearbook, co-edited with LEFEBVRE.

Villanueva University Center annually convenes the Legal Studies Award, an award whose purpose is to discover, recognize and disseminate legal research work among professionals and experts in the field of Law and related disciplines. This award values the originality and practical dimension of the works presented, their theoretical and normative foundation, as well as the depth and style in
