Forty under 40 Awards. Selection Rules 2020

ART. 1 - Promoter, purpose and period of validity: It is an initiative promoted by Iberian Legal Group, iberianlawyer.com, with the purpose, among other things, of stimulating competitiveness amongst young talented lawyers. In the year 2020 the "Forty under 40" (hereinafter, "Initiative") are organised with the aim of recognizing the excellence of lawyers from law firms under 40 years of age, for their remarkable results carried out for a year from May 2019 up to April 2020 (hereinafter, "Period of validity").

The Initiative is governed by the rules indicated below.

ART. 2 - Rules for participation and selection: participation in the Initiative is reserved for lawyers in private practice / law firms

- Working in Spain and Portugal
- Spanish and Portuguese working abroad as well as

- Lawyers working in a Spanish or Portuguese law firm around the world.

Candidates must be born after 31th May 1980

Candidates will be preliminarily identified through submission forms (the deadline for entry submissions has been EXTENDED to 25th May 2020 23:59h CET), together with the results of the research carried out by Iberian Lawyer during the period of validity. References from clients will be very valuable. Finalists could be included in one or more categories. A list of finalist for each category will be published as a result of the intelligence process. The Jury members will be the only ones responsible for the final assessment.

PHASES TO SELECT THE FINALISTS

a. First phase: All submissions received will be examined by Iberian Lawyer research team.

The **submission form** has to focus on the details of deals, market relevant legal work led by a lawyer under 40 (for individual category) or undertaken by a team of lawyers. There are 20 individual categories and 20 team categories, but all the information will be shared in the same submission form.

If any information on the submission is confidential, please indicate so. However, any information provided will not be disclosed without the prior authorization of the firm or lawyer.

Submissions may be sent by the lawyer or by a representative of the firm.

During the market research, both data provided by the law firms and lawyers in the submissions and the information gathered by the market as a result of the intelligence process will be taken into consideration.

b. Second phase: Jury voting / Winner selection

The winners per category will be selected by the Jury and announced on the Gala night.

Iberian Lawyer will convene a jury that will be comprised of a selected group of General Counsel AND/OR Heads of Legal with a good understanding of the sector as a representation of the market.

The jury members will be provided with a list of finalists in the different categories. Each member of the jury will be asked to indicate their preference by giving one vote for each category.

The winners will be determined by the votes of the jury.

ART. 3 - Communication of the finalists and winners: the list of finalists for each of categories will be published on the Iberian Lawyer website. However, the winners will be announced during the gala that will take place in the city of Madrid on October 29th in the Intercontinental Hotel.

Iberian Legal Group SL reserves the right to inform the shortlisted / finalists more details about the modality of their participation and the development of the Gala.

ART. 4 - Award ceremony: Finalists and winners will be announced for each of the categories during the Gala. The award will not have a financial value, since it is a public recognition of purely symbolic nature. The award will be given to the winner by category, who will have to personally attend the Gala and collect it.

If the award is not collected during the Gala personally by the interested party or in the case of a team by at least one management representative representing the team, it will be irrevocably considered as a waiver of the award , and will automatically be assigned to the second best scored per category. Iberian lawyer authorizes the shortlisted and winners to use the image rights linked to the "Forty under 40 Awards - 2020 edition".
