Watson Farley & Williams, in collaboration with Danish law firm Graff Legal Advokatselskab ApS,

has assisted NTI Group Aps in the acquisition of majority stakes in Negrone Key Engineering (NKE) and its Spanish subsidiary NKE CAD Systems SL

NTI is a Danish company and a leading European provider of digital solutions and services. NKE is the first "Autodesk Platinum Partner" certified company in Southern Europe, renowned for its high quality and professionalism in delivering courses on its software.

WFW provided advice on Legal, Due Diligence and all aspects of Italian Law relating to the acquisition documents and the completion of the transaction.

WFW Italy head and Corporate Partner Eugenio Tranchino oversaw the cross-border team in Italy and Spain that advised NTI on the acquisition. The WFW Italy team was led by counsel Luca Sfrecola, assisted by associates Francesco Vanzaghi, Giovanni Benedetto, Antimo Nersita and Sonia Basso for Corporate matters; associate Anthony Bellacci, for Real Estate matters; and associate Alessandro Longo for Labour Law matters.

The WFW Madrid team was composed of Corporate partner Ana Lorenzo Sobrado (pictured left) and senior associate Juan Area Diaz de Atauri (pictured right), in close collaboration with Employment partner Victoria Truchuelo (pictured centre).

The team of Graff Legal Advokatselskab ApS was led by partner Philip Graff.
